# Reflecting on 2024:

## A Year of Impact and Innovation

We are excited to share with you the impact that SchoolTry has had on over 250,000 students across different educational institutions in Africa. The implementation of SchoolTry data management has revolutionized the way Schools analyze data, leading to more efficient and informed decision-making.

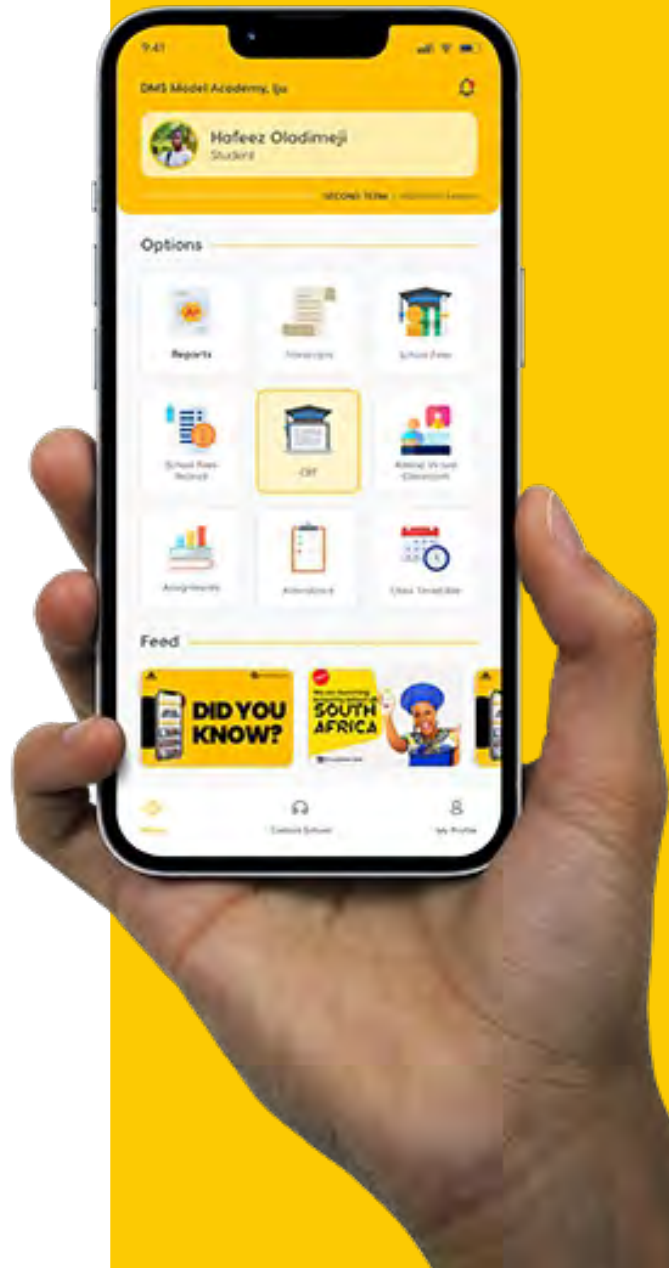

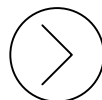

We made giant strides with successful implementation of Memorandum of Partnerships and strengthening collaborations in Africa.

SchoolTry was well represented in different networking events across Africa. We successfully solidified alliances and global partnerships with key stakeholders. As an organisation with a strong Corporate Social Responsibility to foster technology in Education Schools under the Nigerian National Association of Proprietor of Private School(NAPPS) have free Access to SchoolTry platform.

Special thanks to the Embassy of Sweden in Nigeria for creating opportunities in Education.

In conclusion, the implementation of Schooltry data management has been a game-changer in Educational institutions. We are confident that SchoolTry will continue to drive improvements in our data management practices and ultimately benefit the entire School Community.

Thank you for your continued support

# Our Impact Numbers

1 over **400** Active schools:

2 over **205,580** Active students

3 Over **10,000** Educators Trained

4 over **400K** Active Users

5 Amount processed over **\$11,000,000**

6 Most fascinating feature to students:  
**Student E-Voting**

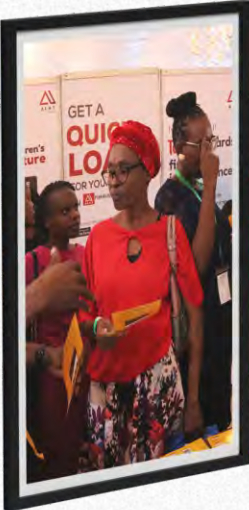

7 Most fascinating feature to Higher Ed Admins:  
**Student academic performance analysis**

# Strategic Partnerships and Regional Collaborations

# Revolutionizing Education in Kilifi County

In 2024, SchoolTry was honored to partner with Kilifi County, Kenya, setting a new standard for integrating technology into education. This partnership focused on enhancing learning environments, optimizing administrative workflows, and equipping students with essential digital tools. By tailoring solutions to meet local needs, this collaboration exemplifies the power of localized innovation in driving sustainable educational growth.

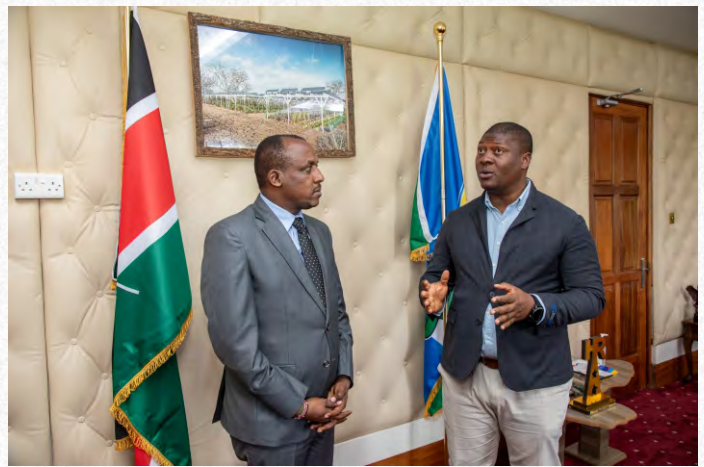

Kenya

# Empowering Makueni County

Another pivotal milestone was our collaboration with Makueni County, Kenya. This initiative aimed to improve access to quality education by providing educators and students with state-of-the-art digital tools. Our tailored approach has significantly contributed to bridging the technological divide, ensuring that Makueni County continues to advance in educational equity and excellence.

Kenya

# Public-Private Partnership with Oyo State Government, Nigeria

In Nigeria, SchoolTry's partnership with the Oyo State Government underscored the potential of public-private collaborations to transform education. Through this initiative, we facilitated the integration of advanced technology in classrooms, fostering innovation among educators and enhancing student engagement. This collaboration marks a significant step towards expanding access to modern educational solutions across Africa.

Nigeria

# Global Engagement and Strategic Alliances

# Forging Global Partnerships

SchoolTry's commitment to global educational advancement was further strengthened through partnerships with Fidelity Bank, Globus Bank, Epicenter Stockholm, and Maryam Abacha American University.

These collaborations leveraged international expertise, driving technological adoption and creating opportunities for students to thrive in a digitally connected world.

By aligning with global partners, we continue to foster an interconnected educational landscape driven by shared knowledge and innovation.

# TOSSETEACH 2024

A highlight of the year was our active participation in TOSSETEACH 2024. This prestigious event provided a platform for SchoolTry to showcase innovative solutions, engage with educators, and contribute to shaping the future of education.

Our involvement underscored our leadership in educational technology and commitment to global knowledge exchange.

# Kilifi County International Investment Conference

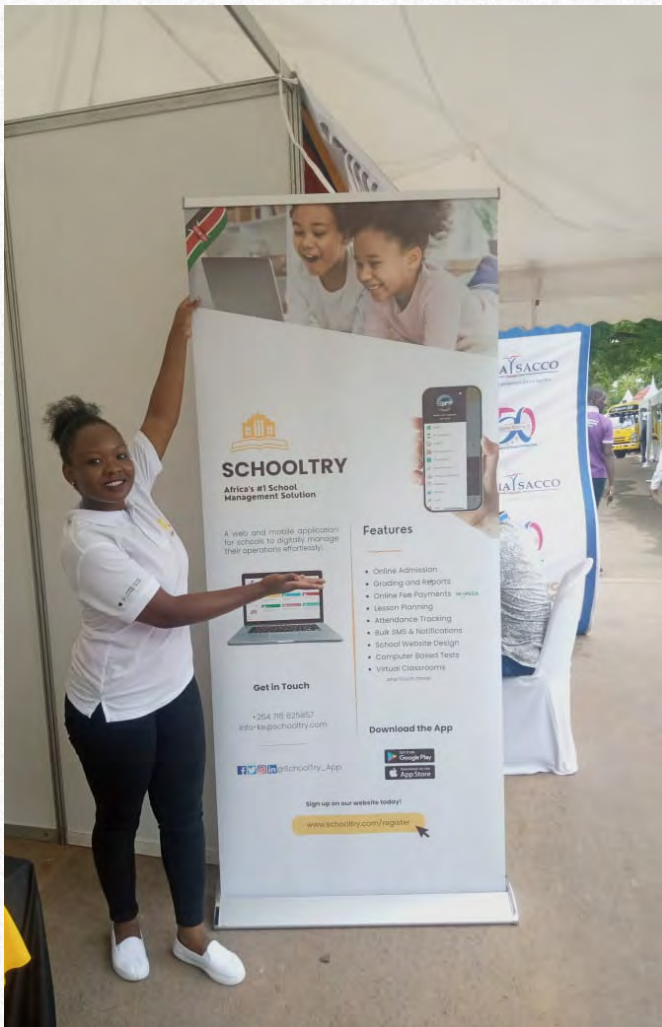

SchoolTry's participation in the Kilifi County International Investment Conference reinforced our role as a catalyst for educational development through strategic investments. This engagement allowed us to collaborate with key stakeholders and articulate a comprehensive vision for sustainable educational growth in Kilifi County and beyond.

# Kenya Private Schools Association AGM in Mombasa

SchoolTry also participated in the Kenya Private Schools Association (KPSA) Annual General Meeting held in Mombasa. This event provided valuable insights into the evolving landscape of private education, fostering collaboration with private schools across Kenya and paving the way for innovative solutions in the private sector.

# Looking Ahead

As we celebrate the achievements of 2024, we remain dedicated to driving educational transformation through innovation, collaboration, and sustainable development.

We extend our gratitude to our partners, stakeholders, and the entire SchoolTry community for their unwavering support.

Together, we look forward to another year of impactful initiatives and transformative progress in education.
